DIVERSION PROGRAM

GREENE COUNTY JUVENILE COURT

Adolfo A. Tornichio, Judge

2100 Greene Way Boulevard

Xenia, OH 45385

The Greene County Juvenile Court Diversion Program is an informal court alternative offered to unruly and/or minor delinquent involved youth. Diversion focuses on holding youth accountable for their behavior. Success in Diversion is dependent on having a strong working relationship with the child, the parent, and often the school.

PURPOSE

The primary purpose of the Diversion Program is to prevent formal court involvement for those youth who have had no previous court history. The Diversion Program is based on a widely accepted belief that not all cases are best handled through the formal court .

WHO IS ELIGIBLE

- Youth charged with a misdemeanor who are first time offenders.
- Youth who habitually display unruly behaviors at home.
- Youth who are truant from school.

- Youth at risk of being adjudicated unruly or delinquent as a result of a complaint with this Court.

GOAL

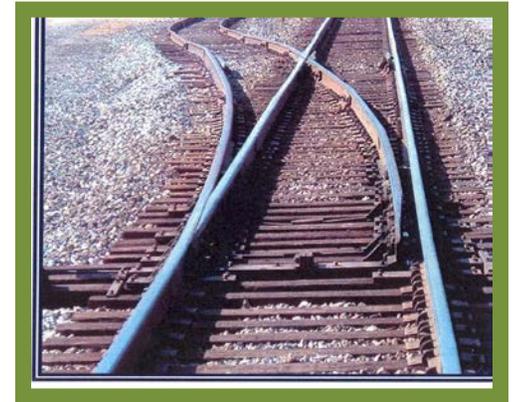

The goal is to address present acting out behavior by providing short-term, intensive court intervention for youth and their families. The target population is youth ages 11 through 17. The diversion program's focus is on behavioral ownership, through self-discipline, individual and family empowerment and victim awareness. The Program aims at reducing recidivism by improving the youth's decision making skills, strengthening the family relationships, as well as enhancing the child's self-esteem.

PROCESS

- 1) The diversion hearing will take place in a diversion counselor's office.
- 2) Youth will be expected to admit or deny the alleged behavior at the onset of the diversion hearing. An

admission will result in the hearing officer developing a diversion contract that the youth and parent/guardian must complete. A denial will be transferred to the formal court process.

- 3) Youth will be monitored by diversion staff over a 2-4 month period through home, school, and/or office visits.
- 4) Successful completion of the program results in dismissal of the complaint. **There will be no official court record.** Unsuccessful completion will result in formal court involvement.
