

Charitable Giving

Since 1829, Greenwood Manor, also known as the "Greene County Home," has offered hope and opportunity to the aged and disabled. The existence of this wonderful facility directly is due to the support, talents and time from folks in Greene County.

People in Greene County and elsewhere recognize the important service that Greenwood Manor has provided to residents. The Greene County Community Foundation, d/b/a Greene Giving, stands ready to assist donors in making gifts to continue the quality of care and needs of Greenwood Manor. Greene Giving, tax-exempt charitable organization, can provide simple next steps regarding gifts that may offer tax advantages to donors.

Outright gifts may be made by check payable directly to Greenwood Manor.

A donation of \$ 1,300 will adopt one resident room as an example. However, no donation is too large or too small. A re-furnished room features new lighting fixtures and window treatments, freshly painted walls, chair rail, refinished doors and personal telephone capability. Donors, through their outright gifts, will provide for the re-modeling supplies, and Greene County employees will provide the labor.

Whether it is a room or another project of choice, all gifts are utilized for the sole purpose of enhancing quality of life of the residents who reside at Greenwood Manor.

Deferred gifts may be made via bequests, insurance policies, trusts and other charitable options which Greene Giving would be pleased to discuss with you. Thanks for your consideration in helping to maintain the tradition of Greenwood Manor.
