

Michael's House

Thank you to those who attended the 3rd Annual Michael's House Cookout on Sunday, September 5th! The weather was beautiful, the turnout was fantastic and the event was an outstanding success because of the generous support from our community and the following people and businesses:

Todd and Robin Barrett
(Elsa's Kettering)
Fussnecker Sweepers
Drew and Jill Fussnecker
Gordon Food Service
Dan Kronauge
Brian and Jennifer Leen
Elaine and Bill Mercurio
Mercurio Family
Bart Nye
Bobbie Predmore
The Nutter Center
Phil Beach, Pepsi
Prime Time Party Rental
Sysco Corporation

Clowns were on hand at the cookout to paint the faces of the children in attendance!

And the many other generous donors of the live and silent auction items.

There were clowns, the Greene County Sheriff's DARE Hummer and Harley Davidson motorcycles, games and an inflatable bouncy for the kids; good food, good company and a silent and live auction for the adults—all to benefit Greene County's child advocacy center, Michael's House. ALL proceeds from the event go to Michael's House and with your support, we were able to raise \$33,325! These funds are used for the day-to-day operations of the center, which provides programming, support and a variety of services to abused children in Greene County. Thank you for helping us help the children who depend on the valuable services at Michael's House. We hope to see everyone again next year!

With gratitude,
Stephen K. Haller & the Michael's House Multidisciplinary Team
