

NEWS BRIEF

Constituents of Greene County are being notified if they have torn down buildings on their property and not reported them to the Greene County Auditor, they must do so as we only visually inspect properties every six years. Therefore, if you have removed a building, we need to know so we can remove it from your tax bill. There is a form called Injured & Destroyed Property Application that you need to fill out in our office. You can also find this form on our website at www.co.greene.oh.us under Auditor, Real Estate Forms, and click on the Application.
