WHAT WE DO

We assist community members in meeting their needs by matching them to services and opportunities in utilizing their skills to contribute to the community.

We listen to individual and group concerns, problems, questions, and ideas, and then provide information about services or programs in Greene County that fit individual needs.

Examples of services or resources that we can connect people with include:

- Financial guidance
- Individual & family counseling
- Job seeking & keeping skills
- Medical & Legal assistance
- Youth activities
- Senior services
- Food or housing issues
- Volunteer opportunities
- Infant/Newborn needs
- Substance abuse intervention
- Resource Library & brochure racks
- and more ...

All services are Free & Confidential
