Route 40

- FLEX-SERVICE**
In Xenia, Fairborn, and Between Xenia and Fairborn
- Flex-service is very convenient. You don't have to call ahead to get a ride. Flex-service operates 6AM-6PM Mondays-Fridays, not including major holidays.
 - **50 cents** each way per person (**\$1.00** per family).
 - The bus is scheduled to be at certain locations along the route at certain times (see scheduled time points). The schedule shows when to expect the bus. For locations between two time points, you have to estimate the time. Sometimes the bus may be running late due to traffic, weather, deviations, etc. Please be patient.
 - Stand along the flex-service route (see the route maps and route descriptions). When you see the bus marked "flex service", just wave to the driver to stop ("flag-stop"). The driver will safely pull over to the curb and let you board. Just before you arrive at your destination, tell the driver you want to get off. You can get on and off anywhere along the flex-service route (not just at the time points), except where noted.
 - Pre-arranged transfers between Greene CATS flex-service and demand-responsive service is encouraged. Please call Scheduling at **937- 562-6466** or **877-227-2287**, **Fairborn residents call 937-426-1779 ext: 6466**.
 - Service animals are welcomed on the vehicle. Passengers must be in control of their service animal at all times.
 - Anybody can use the service. Children under 14 years of age must be accompanied by an adult. You can use it for any trip purpose and for any reason.
 - The vehicles are wheelchair accessible. All vehicles have car seats. All passengers must be seated and use a seat belt. There are no standees allowed on the buses.
 - If you are within ¼ of a mile from the flex-service route the flex-service can deviate to come to you. To request such a deviation, please call Scheduling at **937- 562-6466** or **877-227-2287**, **Fairborn residents call 937-426-1779 ext: 6466**, by noon the business day before the day you need service.
