Passenger Behavior on Greene CATS

The passenger's safety/security, comfort and trip quality are extremely important. Greene CATS expects all passengers to be polite on the bus, and to respect the other people on the bus. If you have any question about proper behavior, please ask the driver. The driver is authorized to remind all passengers about this topic and to enforce the Greene CATS rules.

Flex-service is very convenient

You don't have to call ahead to get a ride. Flex-service operates 6 A.M.-6 P.M. Mondays-Fridays, not including major holiday.

The vehicles are wheelchair accessible. All vehicles have car seats. All passengers must be seated and use a seat belt. There are no standees allowed on the buses.

Anybody can use the service. Children under 14 years of age must be accompanied by an adult. You can ride the bus for any trip purpose and for any reason.

Stand along the flex-service route. When you see the bus marked "flex service", just wave to the driver to stop ("flag-stop"). The driver will safely pull over to the curb and let you board. Just before you arrive at your destination, tell the driver you want to get off.

If you are within $\frac{3}{4}$ of a mile from the flex-service route and cannot get to or from the route due to a disability, the flex-service can deviate to come to you. To request such a deviation, please call Scheduling at (937)562-6466 or 877-227-2287, **Fairborn residents call (937)426-1179 ext: 6466**, by noon the business day before the day you need service.
