Subject: **Action Plan Phase 2:** Coronavirus (Covid-19)  
Date: 05/05/2020 (updated from original plan 03/11/2020)

**Action Plan** posted on [mvjrc.org](http://mvjrc.org) web-site. Staff to direct others to web-site for guidance.

Family **visitation suspended**. Regular telephone and “Zoom” contact to continue.

**Volunteers/interns services suspended.**

Only **mission critical contractors** (building services, food service, medical, law enforcement, court personnel, etc.) permitted to enter the facility. Mission critical determined by managing staff.

**All individuals**, including staff, entering the building will be **subject to a health screening** using the ODYS-issued form “Entry Screening Process for the Prevention of Covid-19 Transmission”.

**Non-essential travel suspended.**

**Transition Releases suspended.** Possible “one-way”, end-of-stay Transition Release if approved by committing court.

**New intakes resume** 05/05/20. Transfer must occur from secure facility (14-day placement) - not from home setting to ensure low-risk transfer via administrative/medical screening.

**Population limit: 16.** To allow for physical distancing, medical isolation/quarantine space and staffing responsivity re: direct-care/medical/mental health staff. First Priority: Governing Board consortium males/females. Second Priority: Non-consortium females. Not accepting non-consortium males except in relation to low population/low referrals.

**Alternative work schedules** encouraged.

**Alternative meetings** encouraged.

Continue **increased cleaning schedule.**

Symptomatic youth placed on **medical isolation or quarantine** pursuant to agency policy.
